IOE&IT training

INSTITUTE OF EXPORT & INTERNATIONAL TRADE

Updated: February 2022

Gain an understanding of key trade and customs processes to grow your business and ensure you trade compliantly and with confidence

Trading with the EU

Following the end of the transition period businesses will face changes to the way they trade with Europe

In order to maximise profitability and to trade successfully and compliantly businesses must understand new trade and customs rules.

This one-day training will focus on the requirements that businesses must now follow when trading goods with Europe, arising from the UK:EU Trade Cooperation Agreement (TCA) and the UK's Border Operating Model.
